After a class is complete, there is a short amount of time for you to take a photograph of your own child. Try to avoid other children being in the background of your photograph. If you share these photographs online, do not name other children in the photograph.

The festival committee may take photographs of performers for the festival Facebook page. Photographs of children will not be named online. If parents do not want photographs to be taken of their child, it is the responsibility of the accompanying adult to inform a festival committee member. If anyone has a concern about any photography / filming taking place at the festival then please contact the festival Chairman, Secretary or Child Protection Officer to discuss this.

Mobile Phones

Larne Music Festival - Child Protection Policy:

This policy relates to children under the age of 18 years and members of vulnerable groups of any age whose needs are identified to the Festival organisers by parents, guardians, carers and/or teachers prior to their arrival at the Festival. This should be done by contacting the Child Protection Officer named at the bottom of this document.

Festival Environment

It is the policy of our Festival to inform and involve parents, guardians, carers and teachers in partnership with the Festival in order to ensure, as far as it is reasonably practical, a safe environment at our Festival. However it must be stressed that responsibility for children under 18 years of age and vulnerable adults (those with learning difficulties) rests with parents, guardians, carers, teachers – not with Festival staff. All suspicions and allegations of abuse will be taken seriously, responded to swiftly and appropriately and the Festival's Organising Committee and Volunteers have a responsibility to report concerns, contacting external agencies as necessary.

Festival Personnel

For both Members of the Executive Committee of Larne Musical Festival Association and appointed volunteers, all names, addresses and phone numbers are kept on file. All will wear official badges at the festival to identify them clearly. Anyone wearing a badge may be approached and will report your concerns to Mrs. Marie Barnes (Larne Music Festival Child Protection Officer). All concerns and problems will be taken seriously, discussed in a private area provided and documented and dated. Issues raised will be addressed by the safeguarding team.

Attendance at the Festival

This Policy is shared with all parents, guardians, carers, teachers and schools who then become partners in implementing this Policy. It is the responsibility of parents, guardians, teachers and carers to ensure that children and vulnerable adults are supervised at all times.

Performance Area and Changing Areas

As the Festival is held in a public area, parents, guardians, carers and teachers are reminded that children and vulnerable adults must be supervised at all times including while they are in public areas e.g. Toilets and Practice Rooms. We are unable to provide changing facilities.

Photographs, Video recording and Press Photography

The Executive Committee bans the taking of photographs and videos during the Festival. Photographs may be taken by local press, provided they have obtained permission from those with parental responsibility. Photographs by Accredited Photographers will be released to the media and may be used on the Festival Webpages and Social Media.

The legislation and guidance that supports this policy

a) The Children Order (NI) 1995 b) Rehabilitation of Offenders (Northern Ireland) Order 1978, c) The Rehabilitation of Offenders (Exceptions) Order (Northern Ireland) 1979, d) Part V The Police Act 1997, e) The Data Protection Act 1998, f) The Protection Of Children and Vulnerable Adults (Northern Ireland) Order 2003, g) The Safeguarding Vulnerable Groups (Northern Ireland) Order 2007.

Policy Review

The Executive Committee will review their Policy, revising and enhancing it as necessary. This Policy was last reviewed January 2025. (Next review January 2027)

Friends of the Festival

Larne Music Festival relies heavily on entry fees received and the kind donations of the 'Friends of Larne Music Festival' who each donate a minimum of £10 per year. If you would like to support us by becoming a Friend of the Festival, please visit www.larnemusicfestival.com/friends

Each year Larne Music Festival is an excellent means of encouraging and supporting the vast musical talent found in Larne and the East Antrim area, providing a public arena for performance and professional adjudication. It also provides our young people with the opportunity to listen and appreciate the developing musicianship of others.

The Friends of the Festival Scheme was introduced to provide an opportunity for anyone to support Larne Music Festival in a practical way. You are asked to make a small financial donation which helps to ensure the continuance of this important event in the musical calendar. It brings together keen supporters of music who are willing to make a minimum annual contribution of £10-£30 per person

In exchange Friends of the Festival receive:

- Listing in official Festival Programme
- Invitation to annual Pre-Festival Reception

Please offer your much-needed support and become a Friend of the Festival. Thank you.

We now accept donations on our website: www.larnemusicfestival.com
